fascist italy s ultimate defeat was foreordained it was a pygmy among giants and hitler s failure to destroy the soviet union in 1941 doomed all three axis powers but italy s defeat was unique the only asset that it conquered briefly with its own unaided forces in the entire second world war was a dusty and useless corner of africa british somaliland and italy s forces dissolved in 1943 almost without resistance in stark contrast to the grim fight to the last cartridge of hitler s army or the fanatical faithfulness unto death of the troops of imperial japan this book tries to understand why the italian armed forces and fascist regime were so remarkably ineffective at an activity war central to their existence it approaches the issue above all from the perspective of military culture through analysis of the services failure to imagine modern warfare and through a topical structure that offers a social cultural political military economic strategic operational and tactical cross section of the war effort

this is a meticulously researched history of the rule of the axis powers in occupied yugoslavia along with the role of the other groups that collaborated with them notably the extremist croatian nationalist organization known as the ustashas

social economic and political ends hendrick reveals the way in which children have been viewed as threats to as well as victims of the society in which they lived and considers the consequences of various policies for child welfare child welfare

will appeal to undergraduate students of history social policy education and welfare law it will also be a useful reference work for lecturers and postgraduates

this wwii pictorial history sheds light on the armored fighting vehicles built and deployed by italy hungary and other axis powers on the eastern front in discussions of second world war military vehicles german american and british tanks are given the most focus meanwhile the tanks self propelled guns and armored cars built and deployed by hitler s axis allies have been almost forgotten both the rarity of these fighting vehicles and the vital roles they played in battle make them a fascinating subject of photographic history this selection of previously unpublished wartime photographs provides a visual record of the armored forces thrown into action by hitler s allies on the eastern front from 1941 to 1945 illustrated here are the panzers deployed by bulgaria finland slovakia hungary italy and romania on the eastern front and in the balkans hungary s home made armor included the toldi and tur n tanks and zr nyi self propelled guns the italians produced cv 33 tankettes semovente self propelled guns autoblinda and lancia armored cars and a series of tanks romanian and czech tanks and assault guns were also deployed

perhaps the most famous and admired soldier to fight in world war ii was field marshal erwin rommel who achieved immortality as the desert fox rommel s first field command during the war was the 7th panzer division also known as the ghost division which he led in france in 1940 during this campaign the 7th panzer suffered more casualties than any other division in the german army at the same time inflicting a disproportionate number of casualties upon the enemy it took 97 486 prisoners captured 458 tanks and armored vehicles 277 field guns 64 anti tank guns and 4 000 to 5 000 trucks it captured or destroyed hundreds of tons of other military equipment shot down 52 aircraft destroyed 15 more aircraft on the

ground and captured 12 additional planes it destroyed the french 1st armored division and the 4th north african division punched through the maginot line extension near sivrly and checked the largest allied counteroffensive of the campaign at arras when france surrendered the ghost division was within 200 miles of the spanish border no doubt about it rommel had proven himself a great military leader who was capable of greater things his next command in fact would be the afrika korps where the legend of the desert fox was born rommel had a great deal of help in france much more than his published papers suggest his staff officers and company battalion and regimental commanders were an extremely capable collection of military leaders that included 12 future generals two of them ss and two colonels who briefly commanded panzer divisions but never reached general rank they also included colonel erich von unger who would no doubt have become a general had he not been killed in action while commanding a motorized rifle brigade on the eastern front in 1941 as well as karl hanke a nazi gauleiter who later succeeded heinrich himmler as the last reichsfuehrer ss no historian has ever recognized the talented cast of characters who supported the desert fox in 1940 no one has ever attempted to tell their stories this book remedies that deficiency

adolf hitler is maddened when his ally and friend italian dictator benito mussolini is ousted from power believing that nothing happens in italy without the consent of the catholic church and the pope himself the german fuhrer decides to avenge mussolini he orders a high ranking ss general to develop a plan to invade the vatican and kidnap the pope ss general karl wolff is placed in a dilemma follow his personal feelings on the disturbing order or directly disobey a direct order from hitler kidnap the pope follows the non stop action of wwii and the countries involved can the vatican be saved and can pope pius xii continue his diplomatic efforts on behalf of his church and its followers

don by enemy forces who far outnumbered them to break out of this encirclement these men undertook a desperate march across the snow with constant engagements and in temperatures ranging from 20 to 30 degrees fahrenheit whereas supplies were air dropped to the germans the predicament of the italians was far more difficult lacking gasoline they were compelled to abandon their vehicles and to proceed without heavy arms equipment ammunition or provisions even

robert l politzer in collaboration with his wife frieda n politzer created a study of the vulgarisms in the merovingian documents in france and the lombard documents in italy the results support what has been generally believed about the progress of vulgar latin in those areas
